• Abundant Natural Supply •

ROOLOINS

• Delicious & Nutritious •

Kangaroo is one of the most eco-friendly & sustainable proteins on the planet!

Wild Harvest, strict government control

Naturally organic, paleo-perfect and **cost efficient**

Lean and delicious, it *is* the **perfect protein**.

ROO LETTES

When you cut medallions from these amazing roo loins you create "Petit Roolettes".

Simply sauté, rest and serve.

Ask your specialty meat supplier about these other kangaroo value added cuts:

TOPSIDE • RUMP • GROUND BURGERS • SLIDERS • SAUSAGES
