We supply ground meat, offal (heart, liver, tongue and kidney) raw bones and trim for your pet's needs.

The most popular items for pet food that we sell are **ground meats, offal** (heart, liver, tongue and kidney), raw **bones** and **trim**.

Good choices for ground pet food is Kangaroo (a favorite amongst many pet owners due to its exceptional leanness, it is "naturally organic" and is more economical), Bison, Ostrich, Elk and Venison, however we offer many more to choose from! All of our ground meat is pure protein – we do not use any fillers what-so-ever.

For offal, we offer a selection in Certified Organic Beef, Bison, Chicken, Rabbit, Duck and Lamb.

Bones are available in Certified Organic Beef, antibiotic-free Chicken, Bison, Lamb, Pheasant, Rabbit, Ostrich, Wild Boar – and can be custom cut to the appropriate size for your pet for a small surcharge – we also have a changing variety of other poultry bones available in bulk.

We encourage you to have a look at each protein section for specific pricing on each item.

Please note: this is all Human Grade food, but many people purchase these specifically for their pets to eat.
